

Quarantine isn't fun  
I just rather play in the Sun  
but instead  
We have to wear masks,  
cleaning is  
my least favorite task  
6 feet away  
we can't play  
All day  
Can't play sports  
i'm on a call all day  
doing homework  
We go hikes  
And go on our bikes  
2020 has been quite a year  
I hope 2021 brings more cheer
